

BEND FC × JUICE PLUS+ · HEALTHY STARTS

FREE FOR KIDS.
GOOD FOR FAMILIES.
GREAT FOR BEND FC.

Young people ages 4–25 can receive Juice Plus+ at no product cost through Healthy Starts, and 5% of every qualifying order goes back to Bend FC.

FREE · AGES 4–25

Juice Plus+ for kids and young adults, with a qualifying adult subscription. $12 handling fee per shipment.

5% TO BEND FC

of every qualifying order, for as long as the subscription continues. A fundraiser that keeps working.

PROGRAM INFORMATION BOOKLET

REVIEW DRAFT

THE PROGRAM AT A GLANCE

YOUR KIDS GET WHOLE-FOOD NUTRITION. YOUR CLUB GETS A FUNDRAISER THAT KEEPS GOING.

This is a Bend FC fundraiser powered by The Juice Plus+ Company. It joins two things families already care about: healthy kids and a strong soccer club.

FOR YOUR FAMILY

FREE JUICE PLUS+ FOR YOUNG PEOPLE, FROM AGE 4 TO 25

Through Healthy Starts, an adult (18+) who subscribes to a qualifying Juice Plus+ product can add a young person aged 4–25, who receives Juice Plus+ Fruit & Vegetable Blend Capsules or Chewables at no product cost.

> Condition: the young person's product is free only while a qualifying adult subscription is in place. A $12 handling fee applies every four months, per shipment.*

FOR BEND FC

5% OF EVERY QUALIFYING ORDER GOES BACK TO THE CLUB

Subscriptions renew, so support continues month after month without car washes, bake sales or asking again. The club's share helps fund scholarships, player development, fields and facilities, and club growth.

PATHWAY 1 · MOST FAMILIES

Enroll in Healthy Starts. Buy your own subscription, add your young person, and support the club through your orders. Pages 4–9 and 16–17.

PATHWAY 2 · OPTIONAL

Become a Partner. A separate, paid role for people who want to share the program and earn. Not required to take part. Pages 18–19.

WHY BEND FC IS TAKING PART

GREAT ATHLETES ARE BUILT BEFORE GAME DAY

Daily habits, not game day, decide who finishes strong. Bend FC chose Juice Plus+ because Healthy Starts encourages the everyday habits that build young athletes: better nutrition, hydration, fitness and sleep.

TRAINING MATTERS
Hard work builds the foundation every athlete stands on.

SLEEP MATTERS
Rest is when the body recovers, adapts and grows.

HYDRATION MATTERS
Water fuels performance from the first whistle to the last.

NUTRITION MATTERS
Whole-food nutrition fuels healthy bodies, strong minds and better performance.

TOGETHER WE'RE INVESTING IN HEALTHIER KIDS AND A STRONGER SOCCER COMMUNITY.

NEEDED FOR THIS PAGE
A short, approved description of Bend FC (who the club serves, how many players and families, its mission) would help first-time readers. [NEED FROM JAMES: Approved "About Bend FC" text, 40–70 words, and player/family numbers if you want them shown.]

Become a Partner	18	FAQ, references & help	20

HEALTHY STARTS EXPLAINED

FREE JUICE PLUS+ FOR THE YOUNG PEOPLE YOU LOVE

Healthy Starts is a Juice Plus+ program that helps the next generation grow up healthy by giving the gift of whole-food nutrition to young people.

It works through an adult's own subscription: an adult with a qualifying Juice Plus+ subscription can gift Fruit & Vegetable Blends to a young person at no product cost, paying only a handling fee for the young person's shipments.

WHO QUALIFIES

REQUIREMENT	WHAT IT MEANS
The adult	Must be 18 or older and hold their own qualifying Juice Plus+ subscription.
The young person	Must be aged 4–25.
Shipping address	Everything, adult and child, ships to one address.
Qualifying subscription	The website lists Capsules, Chewables or Superfood Powder. [NEED FROM JAMES: The flyer says "Essentials Fruit & Vegetable Blends"; checkout also offers "Nutrition+ Powder". Which products qualify?]

WHO IT'S FOR: ANY CUSTOMER WITH A YOUNG PERSON IN THEIR LIFE

Parents · Grandparents · Aunts & uncles · Coaches · Caregivers · Family friends

TO CONFIRM

[NEED FROM JAMES: Can one adult cover more than one young person? Are 25-year-olds eligible until their 26th birthday? Must the young person live at that address?]

HOW IT WORKS

THREE STEPS TO HEALTHY HABITS

1. **SUBSCRIBE**
   An adult becomes a Juice Plus+ customer with a qualifying subscription for themselves.

2. **GIFT IT FREE**
   Add a loved one aged 4–25. They receive free Fruit & Vegetable Blend Capsules or Chewables. You pay the $12 handling fee every four months.*

3. **BUILD HABITS**
   Take Juice Plus+ daily, make other healthy changes, and share your progress in optional surveys.

WHAT THE YOUNG PERSON RECEIVES, BY AGE

AGE	ORDER TYPE	FORMAT
Childhood · 4–12	Child order	Capsules or chewables
Teen years · 13–18	Adult order	Capsules
Young adult · 19–25	Adult order	Capsules

On the enrollment form, the free product options are matched to the young person's age.

HEALTHY STARTS AT A GLANCE

Adult enrolls	**Age 18+**
Young person	**Ages 4–25**
Their product	**Free***
Free product ships	**Every 4 months**
Handling fee	**$12 per shipment**
Everything ships to	**One address**

* Free product for a young person requires a qualifying adult Juice Plus+ subscription; a $12 handling fee applies per shipment.

COSTS, PRODUCTS AND PARTICIPATION

WHAT A FAMILY PAYS

1 · THE YOUNG PERSON'S PRODUCT

Product: free. Handling fee: $12 every four months, per shipment.
The product is free only when a qualifying adult purchases their own Healthy Starts subscription.

2 · THE ADULT'S SUBSCRIPTION

Prices as shown on the Juice Plus+ enrollment screen in Bend FC's how-to video:

ADULT PRODUCT (AS SHOWN)	PRICE SHOWN
Fruit & Vegetable Blend Capsules	**$54.00** / month
Fruit, Vegetable & Berry Blend Capsules	**$80.00**
Fruit, Vegetable, Berry & Vegan Omega Blend Capsules	**$112.50**
Nutrition+ Powder and other options	[NEED]

Source: Bend FC how-to video, steps 5–8. Prices can change; checkout shows current prices. [NEED FROM JAMES: Confirm current prices.]

MONTHLY PRICE VS. WHAT IS CHARGED

Checkout in the video ($54 example) shows:

- ✓ "Subscription, every 4 months" and "Billed 4 × $54.00/mo"
- ✓ "Billing every 1 month / Delivery every 4 months", with "4 Monthly payments totals to $216.00" for 120 servings
- ✓ "$54.00 today", then "$54.00/mo, ongoing"; shipping and taxes calculated at checkout

CONFLICTS TO RESOLVE

[NEED FROM JAMES: (1) The $12 fee does not appear in the video's checkout, and the free child item shows "4 Monthly payments totals to $108.00". How and when is the $12 charged? (2) Is shipping extra? (3) Page 9 uses $82/month for Fruit + Vegetable + Berry Capsules; the video shows $80.00.]

BEFORE YOU DECIDE

DELIVERY, RENEWAL AND COMMITMENT

DELIVERY

Free product ships every four months, and everything ships to one address. In the video's example, each delivery is 120 servings.

RENEWAL

Subscriptions renew automatically; checkout states "This order has a recurring charge for multiple items." Renewal is also what keeps the fundraiser working for Bend FC.

CHANGING OR CANCELLING

The Juice Plus+ Healthy Starts page shown in the video lists "Change or cancel anytime."

TO CONFIRM BEFORE PRINTING

[NEED FROM JAMES: Is there a minimum commitment? Because billing is four monthly installments per four-month delivery, what happens if a family cancels mid-cycle? What happens to the young person's free product if the adult subscription is paused or cancelled?]

REQUIRED VS. OPTIONAL

ITEM	REQUIRED?
Adult's own qualifying subscription	**Required** for the young person's free product
$12 handling fee per shipment	**Required** for the young person's product
Optional progress surveys	Optional
Becoming a Partner	Optional and separate (page 18)

QUESTIONS ABOUT YOUR ORDER?

The Juice Plus+ Company handles shipping, service and support. Program questions: James Traynor, **james.traynor@bendfctimbers.com** · **206-979-9792**.

SUPPORTING BEND FC

A FUNDRAISER THAT KEEPS WORKING

Most fundraisers ask again and again. This one works in the background: while your subscription continues, 5% of every qualifying order goes back to Bend FC.

5%
of every qualifying order goes back to Bend FC.

$4.10
about $4.10 a month to Bend FC from each $82/month subscription in the club's example (5% of each qualifying order).*

HOW THE MONEY FLOWS

1. **YOU PLACE AN ORDER**
   Your subscription is a product purchase from The Juice Plus+ Company, placed through the Bend FC store so it is credited to Bend FC.
2. **ORDERS RENEW**
   Each renewal is a new qualifying order.
3. **5% GOES BACK TO THE CLUB**
   Bend FC receives 5% of each qualifying order, based on the 2026 Juice Plus+ compensation plan.

MECHANISM TO CONFIRM

[NEED FROM JAMES: Who receives the 5% and how it reaches the club (for example, a commission paid to a Bend FC Partner account and passed to the club). What counts as a "qualifying" order? Does the young person's free product or the $12 fee count toward the 5%?]

AN ORDER, NOT A DONATION

You are buying products for your family. Bend FC's share comes from those orders. [NEED FROM JAMES: Confirm nothing should be described as tax-deductible. Leave this sentence as is unless Bend FC's tax adviser approves other wording.]

WHAT IT CAN ADD UP TO

EVERY FAMILY COUNTS

ADULT SUBSCRIPTIONS	BEND FC / MONTH	BEND FC / YEAR
25	$103	$1,230
50	$205	$2,460
100	$410	$4,920
250	$1,025	$12,300
500	$2,050	$24,600
1,000	$4,100	$49,200
1,500	**$6,150**	**$73,800**

* Example only: a Fruit + Vegetable + Berry Capsule subscription at $82/month, with Bend FC receiving 5% of each qualifying order. Example: 1,500 orders × $82 = $123,000/month × 5% = $6,150/month = $73,800/year. Figures assume subscriptions renew each year and are based on the 2026 Juice Plus+ compensation plan. They are not guarantees. Monthly figures are rounded as shown on the website.

WHERE THE CLUB'S SHARE GOES

5% of every qualifying order helps fund:

- Scholarships
- Player development
- Fields & facilities
- Club growth

[NEED FROM JAMES: How will Bend FC decide and report how the money is used? Optional: an annual update to families.]

PLANNED

LUNCH & LEARN WITH A NUTRITIONIST

Bend FC is planning a series of lunch-and-learn classes led by a nutritionist, teaching kids and families better eating habits for growth, training and focus. [NEED FROM JAMES: Dates, location, nutritionist's name and credentials, cost (if any), and whether classes are open to all families.]

PRODUCTS AND EVERYDAY USE

ONE SIMPLE CHANGE

The Juice Plus+ product family. Photo: The Juice Plus+ Company, as used on bendfcjuiceplus.com.

Juice Plus+ is whole-food nutrition from fruits, vegetables and berries, picked at peak ripeness and gently dried.

The product the young person receives through Healthy Starts is **Fruit & Vegetable Blend Capsules or Chewables**. Ages 4–12 can have capsules or chewables; ages 13–25 receive capsules. The adult chooses their own subscription from the options on the next page.

A SUPPLEMENT, NOT A SUBSTITUTE

Juice Plus+ is designed to help bridge the gap between what we should eat and what we actually do. It is not a replacement for fruit and vegetables, a balanced diet, or medical care. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

PRODUCT GUIDE

KNOW YOUR OPTIONS

PRODUCT	DESCRIPTION (AS ON THE WEBSITE)
Essentials Capsules & Chewables	Fruit, vegetable & berry blends. The website describes 20 fruits, vegetables and plant ingredients.
Superfood Powder	30 fruits, berries & vegetables
Super-Biome Probiotic + Prebiotic	20 billion CFU gut support
Luminate	Plant-based focus & clarity
Complete Shakes	Plant protein & fiber fuel

WHICH ONES WORK WITH HEALTHY STARTS?

ROLE	PRODUCTS
Young person's free product	Fruit & Vegetable Blend Capsules or Chewables (chewables for ages 4–12)
Adult qualifying subscription	Capsules, Chewables or Superfood Powder (website). [CONFIRM: see page 4]
Other products	[NEED FROM JAMES: Can Super-Biome, Luminate or Complete Shakes be added, and do they count toward the 5%?]

HOW THEY'RE USED

Healthy Starts encourages taking Juice Plus+ daily alongside better nutrition, hydration, fitness and sleep.

SERVING INFORMATION AND NAMING

[NEED FROM JAMES: Approved serving directions per product for adults and children (not stated on the website, so none are printed). Also confirm "Superfood Powder" (website) vs. "Nutrition+ Powder" (enrollment screen), and "20" (website) vs. "20+" (infographic) ingredients.]

RESEARCH

WHAT THE RESEARCH SAYS, AND WHAT IT DOESN'T

The Juice Plus+ Company describes Juice Plus+ Essentials Capsules as among the most thoroughly researched nutritional products of their kind, studied on the finished product itself in randomized, double-blind, placebo-controlled human trials.

40+

peer-reviewed publications, mostly randomized clinical trials, according to The Juice Plus+ Company.[9, 10]

40+

universities and medical centers, including Harvard, Yale-Griffin and King's College London, according to The Juice Plus+ Company.[9]

HOW TO READ THESE FINDINGS

- ✓ **Who was studied matters.** A result in trained adults does not automatically apply to children.
- ✓ **What was measured matters.** A change in a blood marker is not the same as better performance or fewer injuries.
- ✓ **Association is not causation.** Testimonials and surveys describe experiences, not proof.

VERIFICATION STATUS

The studies listed on bendfcjuiceplus.com could not be opened while this booklet was built (network access blocked), so the findings on page 13 are summarized from the website and the study titles it links to. [NEED: Before distribution, a reviewer should read each linked paper and confirm population, product and outcome.] The website's "approximately 200 research-program impact factor" figure is omitted because its source and method are not stated.

FINDINGS WITH SOURCES

EXERCISE AND OXIDATIVE STRESS

The website summarizes a randomized, placebo-controlled trial, published in *Medicine & Science in Sports & Exercise*, that found reduced markers of oxidative stress after exercise in trained men and women.[2, 4, 7] Related studies and reviews: page 21.[1, 3, 5, 6, 8]

> Scope: adults (trained men and women). Outcome measured: oxidative-stress markers, not match performance or recovery time. Not studied here: children.

TOPICS HELD FOR SOURCE REVIEW

The website mentions these topics without identifying the studies, so they are not presented as findings here.

TOPIC ON WEBSITE	CITATION GIVEN
Immune function, upper-respiratory health	"Four peer-reviewed immunity studies"
Working memory, attention (young adults)	"Randomized double-blind clinical study"
Lean body mass, body composition	"Journal of the American College of Nutrition"
Blood flow, oxygen delivery (2–3 months)	"Juice Plus+ clinical research timeline"
Cardiovascular, DNA, Omega-3 Index	"Multiple peer-reviewed trials"

[NEED FROM JAMES: The athlete and performance studies to summarize in print, and full citations for each topic above.]

A SPOKESPERSON'S VIEW

"After looking at all the clinical research done on Juice Plus+, I recognized that there is nothing else available anywhere in the world, with or without a prescription, that has been shown to do all those things in the human body."

Richard E. DuBois, M.D., Former Chief of Internal Medicine, Atlanta Medical Center. Dr. DuBois speaks on behalf of The Juice Plus+ Company. His views are his own; individual results vary.

ATHLETES AND JUICE PLUS+

TRUSTED BY ATHLETES

Athletes across many sports have publicly described using Juice Plus+, and several have represented the brand. Some were or are paid ambassadors or independent Juice Plus+ Partners. **An athlete using a product is a personal testimonial, not scientific evidence.**

ATHLETE	DOCUMENTED CONNECTION	STILL CURRENT?
Winter Vinecki Freestyle aerials · USA	Juice Plus+ Ambassador; has taken its products since childhood[A1]	UNCONFIRMED
Sara Errani Tennis · Italy	Juice Plus+ Italy brand ambassador; renewed for 2025 and 2026[A2]	YES · 2026
Ricky Proehl NFL · 2× Super Bowl champion	Profiled by Juice Plus+ in 2019; independent Juice Plus+ Partner[A3]	UNCONFIRMED
Shannon Miller Gymnastics · USA	Speaker bio lists Juice Plus+ among companies represented[A4]	PAST
Zane Grothe Swimming · USA	Featured brand ambassador; uses products since age 10[A5]	PAST
Solomon Simmons Decathlon · USA	Introduced as athlete partner in 2021[A6]	PAST
Brittany Hochevar Volleyball · USA	Featured in a 2020 USA Volleyball × Juice Plus+ video[A7]	PAST
Jason Fowler IRONMAN handcycle	Identified as Juice Plus+ Ambassador in interviews[A8]	UNCONFIRMED
Ana Ivanović Tennis · Serbia	Used products since age 15 (interview); not then a paid ambassador[A9]	PAST

Listing an athlete does not mean they endorse Bend FC or this fundraiser, or that Juice Plus+ caused their success. No athlete photographs are shown because image rights have not been secured.

BEYOND INDIVIDUAL ATHLETES

ORGANIZATION PARTNERSHIPS

These are agreements with the organization, not endorsements by every athlete connected to it.

USA Volleyball Apr 2019 – Mar 2021	Exclusive nutritional supplement partner, two-year agreement.[A10]
U.S. Performance Center Charlotte, NC · 2024	Official sponsor; its Fueling Station serves Essentials Capsules and Omega Blend to athletes training there.[A11]
German Olympic Team Through London 2012	NSA AG, then the European distributor, was exclusive nutrition partner.[A12]
St. Jude Memphis Marathon Weekend Since 2001	The Juice Plus+ Company and Foundation are presenting sponsor of this St. Jude Children's Research Hospital fundraising event. A charitable sponsorship, not a St. Jude endorsement of the products.[A13]

WHAT HEALTHY STARTS FAMILIES REPORT

89%
say Healthy Starts made their young person more aware of their health and wellness.

66%
report visiting the doctor less often.

60%
report missing fewer days of school.

> These figures are reported by families participating in the Healthy Starts program. They are survey responses, not clinical results. Individual results vary.

SOURCE NEEDED

[NEED FROM JAMES: Survey source (who ran it, year, number of families) for 89% / 66% / 60%.] Athlete and partnership details come from web-search extracts gathered on Sep 28, 2026, not direct reads of each source. Each source must be opened and checked before distribution.

HOW TO ENROLL

ENROLL IN EIGHT STEPS

These steps follow Bend FC's "How to enroll in Healthy Starts" video, which is also on bendfcjuiceplus.com.

1. **VISIT THE BEND FC SHOP**
   Go to **bendfc.juiceplus.com** so your order supports Bend FC. Or scan the QR code on the next page to skip to step 4.

2. **OPEN HEALTHY STARTS**
   Hover over **Shop**, then click **Healthy Starts**.

3. **CLICK JOIN NOW**
   Healthy Starts gives kids and young adults 4–25 Juice Plus+ at no product cost.

4. **ADD YOUR CHILD'S DETAILS**
   First name, last name and birthday. Check the box to accept the Healthy Starts guidelines, Terms of Use and Privacy Policy.

5. **CHOOSE YOUR SUBSCRIPTION**
   Pick the Juice Plus+ product you'd like for yourself and click **Select Product**.

6. **CHOOSE THE FREE KIDS PRODUCT**
   Options are matched to your child's age.

7. **REVIEW YOUR CART**
   Click **View Cart**. Your child's product shows FREE. Click **Checkout**.

8. **CHECK OUT**
   Confirm it says **"You are shopping with Bend Fc"**, then enter your details and payment.

START HERE

ENROLL IN HEALTHY STARTS

Opens the Healthy Starts join form on the Juice Plus+ website, credited to Bend FC.

Or type: **us.juiceplus.com/pages/healthy-starts?partner=20292664#joinnow-form**

Or visit **bendfc.juiceplus.com** and choose Shop, then Healthy Starts.

HAVE THESE READY

- ✓ Your young person's first name, last name and birthday
- ✓ Which product you want for yourself (page 11)
- ✓ Your email address
- ✓ The delivery address (everything ships to one address)
- ✓ A payment method

BEFORE YOU PAY, CHECK

- ✓ The checkout says **"You are shopping with Bend Fc."** If not, use "Change partner".
- ✓ Your young person's product shows **FREE**.
- ✓ You understand the billing schedule shown (page 6).

James Traynor, your Bend FC contact
james.traynor@bendfctimbers.com · 206-979-9792

Program details, the numbers, research & FAQ: **bendfcjuiceplus.com** (information only; all orders are placed at bendfc.juiceplus.com).

WANT TO EARN INSTEAD?

BECOME A BEND FC JUICE PLUS+ PARTNER

A Partner is an independent Juice Plus+ distributor who shares Healthy Starts, helps families, and can earn through the compensation plan. It is optional: you do not need to be a Partner to enroll or to support Bend FC.

	HEALTHY STARTS CUSTOMER	PARTNER
What you do	Buy a subscription for yourself and add a young person	Share Healthy Starts and help families enroll
Cost	Your subscription plus $12 per young-person shipment	$52 a year to join
Buying products	Required (your subscription)	Not required to start
Earnings	None; your orders support Bend FC	Sales profit plus commission as you advance. No income guarantees
What you get	Products for your family	Online store, Back Office, customer and team tools

WHAT PARTNERS DO

SHARE
Introduce families to the free-for-kids program. Tools and training provided.

HELP
Guide people toward better daily habits.

EARN
Build your own base of subscriptions and earn as you advance.*

TO CONFIRM

[NEED FROM JAMES: Partner eligibility (age, residency), what a Partner agrees to, and whether Partner sales also send 5% to Bend FC.]

PARTNER QUESTIONS

How much does it cost to join?
Just $52 a year, with no inventory, no shipping, and no customer-service headaches. Juice Plus+ handles all of that for you.

What does my application fee cover?
Your own online store, a Back Office, and full customer and team management tools. Juice Plus+ handles all shipping, service and support.

Do I need to buy products first?
No. You can start right away, though many Partners use Juice Plus+ so they can share more authentically.

How much can I earn?
There are no income guarantees. Your potential is tied to the time and effort you invest, rewarded through the compensation plan.

How much time do I need?
Entirely up to you: a lunch break, after the kids are in bed, or a few weekend hours.

What support will I receive?
Mentorship from experienced Partners plus online training, live calls, events and bootcamps.

Do I have to be a salesperson?
No. It's about sharing your passion for health, not traditional sales.

BEFORE PRINTING
[NEED FROM JAMES: Link to the current compensation plan and any income disclosure statement, and the steps of the application form.]

APPLY TO BE A PARTNER

Scan to open the Partner application, or visit bendfc.juiceplus.com and choose "Become a Partner".

us.juiceplus.com/pages/partner-application?partner=20292664

YOUR QUESTIONS, ANSWERED

HEALTHY STARTS FAQ

Who is eligible for Healthy Starts?

An adult 18+ subscribes to a qualifying Juice Plus+ product, then gifts free Fruit & Vegetable Blends to a young person aged 4–25. See page 4.

What does it cost?

The young person's product is free only when a qualifying adult purchases their own Healthy Starts subscription. With that adult subscription in place, families pay just a $12 handling fee every four months per shipment for the young person's product. See page 6.

How often does product ship?

Free product ships every 4 months, and everything (adult and child) ships to one address for convenience.

How does Bend FC benefit?

5% of every qualifying order goes back to Bend FC to fund scholarships, player development, fields and club growth, renewing year after year. See pages 8–9.

Is it backed by research?

The Juice Plus+ Company reports 40+ peer-reviewed publications across 40+ universities and medical centers. See pages 12–13 for what the cited studies measured, and their limits.

Do I have to become a Partner?

No. Being a Partner is a separate, optional role. See page 18.

OFFICIAL JUICE PLUS+ RESOURCES

All resources are available from the Bend FC store at **bendfc.juiceplus.com**: About Juice Plus+, Healthy Starts, FAQs, Ask the Experts, Clinical Research, Ingredients, Recipes, and the Juice Plus+ YouTube channel (youtube.com/@juiceplus). Full addresses are on page 22.
